A STELLA PERFORMANCE
Victoria's Secret Angel **Stella Maxwell** (left) held her own in a Ballet Beautiful class in Manhattan to promote the lingerie giant's White-Hot brand, just in time for Memorial Day. Should Maxwell tire of the catwalk, Lincoln Center is only a few leaps and bounds away.

WITH BRIAN NIEMIETZ
THE LONGORIA & SHORT OF IT

What she lacks in height, she makes up for in spunk. Sexy **Eva Longoria** stood her ground among the supermodels of the Cannes Film Festival. The 5-foot-2 beauty struck a pose alongside (left to right, behind her) **Maria Borges**, **Alexina Graham**, **Lara Stone**, **Barbara Palvin**, **Bianca Balti**, **Neelam Gill**, **Doutzen Kroes** and **Irina Shayk**.

THE SPOILS FOR VICTOR

Former Giants receiver **Victor Cruz** (below) finally tackled the 2015 group-text his fiancée allegedly sent to multiple women with whom he was said to have been having an affair.

"It wasn't the easiest situation to go through," he told the bally crew on Power 105.1's "The Breakfast Club" when panelist **Charlamagne** asked about his "side chicks." "They all got curbed after that," Cruz said, seeming to confirm the incident for the first time.

MediaTakeOut.com first reported that **Elaina Watley**, to whom Cruz got engaged in July 2014, texted numerous women associated with her fiancé in late 2015 saying, "I figured since you all know about me, then I should introduce each one of you to each other so we can all know who we have all been f—ing for the past several months." Now Cruz will have a chance to make new friends in Chicago. He signed with the Bears on Thursday.

Izabel Goulart brought sheer madness to **amfAR's Cinema Against AIDS Gala in France**, which coincides with the Cannes Film Festival.

Iggy insists she doesn't 'Fancy' OBJ

IGGY AZALEA says it's no-go for her and **Odell Beckham Jr.** Of course, she also claims she doesn't know him, which seems highly unlikely.

On Wednesday, the Daily News broke the story that Azalea (photo) and Beckham were spotted partying together at Bowlero Woodland Hills bowling center in L.A. Sources said the pair were "being romantic" during the outing, which took place while Beckham's teammates, including **Ell Manning**, were in New Jersey attending organized team activity sessions.

On Thursday, a video journalist from gossip site TMZ caught up to "Fancy" rapper Azalea. The Aussie singer confirmed she was at the bowling alley with a group that included the Big Blue receiver, but denies she was catching his passes.

"I don't know him. Literally, I have never even had a conversation," she insisted, with her head down and wearing a pair of sunglasses.

Granted, she's been photographed with Beckham on more than one occasion, dating back to 2015.

For what it's worth, TMZ also

cites "sources close to Beckham" doubling down on Azalea's claim. Both Beckham and Azalea lead "private" lives that rival their electricity as performers.

The NFL star has been linked to singer **Demi Lovato** and one of reality TV's **Kardashian** sisters. He seemed to deny the latter in a 2016 interview with GQ magazine. In November, singer **Zendaya** went on record saying that rumors linking her to Beckham were bogus.

Azalea is no stranger to high-profile relationship with athletes. The 26-year-old "Two Times" singer was engaged to Los Angeles Lakers star **Nick Young** for over a year before a video appearing to implicate Young as a two-timer — apparently recorded by Young's teammate **D'Angelo Russell** — found its way onto the Internet. Azalea and Young called it quits a short time later.

We do know that Beckham's romance with Giants fans is on the rocks. The flashy Pro Bowler skipped yet another practice session with his teammates, who were roughing it on a rainy day in New Jersey on Thursday. See sports for more on that story.

IT FITS THE BILL

The Cinderella story continues. **Bill Murray** was hard to miss at the Pro-Am in Fort Worth, Tex. The "Caddyshack" star hit the links wearing a plaid outfit, with pink gloves, and topped it off with a floral hat (below). His partner was pro golfer **Jordan Spieth**, who also participated in Thursday's Dean & DeLuca Invitational. Murray described the outing as a "nature experience" that allowed him to explore the woods around the course while searching for his ball. Wonder if he saw any gophers?

2 SUGARS, PLEASE

Boxing great **Sugar Ray Leonard** was reunited with **Usher** (inset), who played him in the 2016 film "Hands of Stone." The rematch took place Wednesday at the Loews Santa Monica Beach Hotel, where the Sugar Ray Leonard Foundation hosted their "Big Fighters, Big Cause" charity boxing night to knock out pediatric diabetes. The event, a collaboration with **Oscar De La Hoya's** Golden Boy Productions, was attended by **Magic** and **Cookie Johnson**, **Cindy Crawford** and **Rande Gerber**, and former two-sport athlete **Bo Jackson**. En Vogue performed.
